

Targeted Brand Improvement Email

Hi,

I am interested in buying wholesale from you to sell on Amazon and help you sell more on Amazon.

Now before you say you are not interested in having more Amazon sellers please hear me out.

We have been selling on Amazon for a long time and have become experts at the ability to optimize listings, maximize sales and improve your brand image.

We prefer to build a relationship with the brands we work with and invest in building their brand.

For free as a part of allowing us to sell your products we would also optimize your listings and help you improve your brand image on Amazon and maximize yours and ours sales and profit at no cost to you.

Give me a call or email so I can go over the details with you.

555-555-5555 is my cell phone.

Look forward to hearing from you.

Thank You,

Todd Welch

My name is Todd Welch and I am the owner of Welch Products LLC, we have been in business since January 2015 and specialize in selling and maximizing sales of products on Amazon.

I saw your products and would love to possibly add them to our catalog. We would be buying from you at wholesale not doing drop shipping.

Please get back to us with how we can set up a wholesale account with you.
